Pick-Up & Drop-Off

You have been doing a FANTASTIC JOB. THANK YOU! In order to make things even safer and faster, please do the following:

1. Put the last name of your student(s) **DARK INK** on a piece of 8½ x 11" paper and display it in the back passenger seat window of your car. This will help us call out student names and have them ready for you sooner.
2. Please stay in line. Please do not go around or cut in front of parked cars to get into the cue.
3. Please remember that all students need to be dropped off and picked up at their school designated locations:
 - a. TK/K @ flagpole
 - b. 1-5 upper campus car drop-off/pick-up
 - c. 6-8 lower campus car drop-off/pick-up

Halloween:

10/27 - Cohort A Halloween - activity - see below

10/29 - Cohort C Halloween - any student interested in sending a picture of themselves in costume must submit the picture to cgiove@newcastle.k12.ca.us BY Thursday, 10/29 so that these pictures can be included in the slideshow.

10/30 - Cohort B Halloween - activity - see below

While we cannot have our traditional Halloween parade, we will still have a Spirit Day. **On your child's cohort day, they are encouraged to wear an appropriate costume.** Students must be able to sit, walk, breathe, see and hear. Only masks that cover the nose/mouth due to COVID are permitted. Costumes cannot promote use of drugs, alcohol or weapons of any kind. No pretend "prop" weapons such as water pistols, knives or swords. All school rules will be enforced. Students will take socially distanced pictures by cohorts. Pictures will be put into a school slideshow to be shared with families. **If you DO NOT want your child's picture included, print the attached opt-out form and send it to your child's teacher BY Monday, 10/26.**

[HERE](#) is the permission slip for those parents who **DO NOT** want their student's picture to be taken as pictures will be shared with our school community and pictures *may* appear on our website and/or Facebook page.

10/31 - Halloween Fun Fact - Halloween night will be extra spooky this year, as a rare lunar event is set to light up the night sky — and it only happens "once in a blue moon." Full moons generally rise in the sky once a month, but October 2020 will have two—once on October 1 and the other on October 31.

11/1 - Daylight Savings ENDS

11/6 - End of First Trimester

11/11 - No School - Veteran's Day

11/16 - Monday - Friday are MINIMUM DAYS

Fall Conferences - Teachers will be reaching out to schedule conferences

11/25-27 - No School - Thanksgiving Break

12/18 - Minimum Day

12/21-1/1 - Winter Break

News:

[Newcastle Elementary and Newcastle Charter Safe Reopening Plan](#)

This plan is subject to change as new guidance is provided by the CDE, CDPH, and/or local health authority and Placer County Office of Education.

Cohorts:

Cohort A: In-person instruction on Mondays and Tuesdays

Cohort B: In-person instruction on Thursdays and Fridays

Cohort C: 100% distance learning instruction. All families who let us know that they will remain in distance learning are in Cohort C. *For planning purposes, all children were placed in either Cohort A or Cohort B for if/when they return to school.* Families will alert the school if/when they will come out of Cohort C to re-enter school for in-person instruction in their assigned cohort. Cohort A or B assignments may be changed to ensure we are providing maximum safety protocols.

While we would prefer families to stay in either the hybrid cohort model or the distance learning model, families may make arrangements through the office to change from one model to the other as appropriate for your family's needs. We will work together on a smooth transition.

Immunizations: Please remember that prior to students returning to school they MUST have all required immunizations. Contact the school office if you have any questions.

Music, PE and Spanish Instruction UPDATE - Our incredible teachers, Ms. Aday, Mr. Allen and Ms. Wagner, who have been providing engaging lessons in these three subjects are now also supporting our students and instructional staff as we return to in-person instruction. Due to the amount of time it requires to create engaging online (asynchronous) lessons, they will be reducing the length of their lessons and/or combining grade spans as appropriate. They will continue to provide outstanding content for our students in support of all of our distance learners. We are working towards a schedule where they will provide both in-person and asynchronous instruction as soon as practicable.

Student Activities: We are so proud of our Knights! Student prizes will be with their packets that are being picked up on Monday. If there is not a packet for the student, the prize will be mailed to the student's residence.
