**Data Confirmation/Teacher Assignment** - All of the 'traditional' Back to School documents are now completed online through the Aeries Parent Portal. These documents are critical to our ability to have complete information for each of our students. **All families must complete the Data Confirmation documents through the Aeries Parent Portal in order to receive your student's teacher assignment for the new school year. Once completed, you will be able to access your student's account to view their teacher assignment on Friday, August 6th.** Families that do not complete the Data Confirmation documents will not be able to access their student's teacher assignment until these documents are complete. The directions to complete the Data Confirmation documents are available on our [school website](#) or you can email Debby LaPorte at [dlaporte@newcastle.k12.ca.us](mailto:dlaporte@newcastle.k12.ca.us) for assistance. The school office will be open for assistance beginning August 2nd from 7:30 am to 4:00 pm. We will have computers available to help you complete the process here, or we can guide you through it over the phone. Please contact the school if we can help!

**COVID Guidance Update & Independent Study Option** - We know that many families are wondering what our new normal will look like when we return to campus. The fact of the matter is we don't quite have all of that information yet. Our district office sent a letter to parents on July 28th regarding the current mask mandate and our upcoming Independent Study Program. You can read the letter [HERE](#). - **We need NOON SUPERVISORS!** Student lunchtime supervision is incredibly important. The hours are 10:30 am - 1:00 pm. Please email [cgiove@newcastle.k12.ca.us](mailto:cgiove@newcastle.k12.ca.us) if you or anyone you know is interested in this paid position.
- **Volunteer in the classroom.** We are back and welcome classroom volunteers! Our primary grades especially need assistance with building our younger student's foundational skills.
- Become a **WORDBUSTER Volunteer.** All Wordbust volunteers will be trained to assist our primary students as they work to master grade-level high-frequency words.
- **We are looking for SHORT TERM INTERVENTION AIDES (6 hours / 4 days per week) and 1 PERMANENT 3.5 HOUR PER DAY STUDENT SUPPORT AIDE (5 days per week).** These positions are absolutely critical to our program! We want to ensure that our students receive the academic support that will help them achieve their very best and you can help us make this happen! Please reach out to Principal Cindy Giove with your questions or to discuss if you can assist in all or a portion of these positions. We are open to all possibilities! - Please let us know if you can assist in providing an **after-school enrichment experience** for our students. There are so many of you out there with incredible talents and skills that our students would love to explore! We are looking for our talented families and community members to instruct our TK-2 OR 3-5 OR 6-8 students in a variety of enrichment activities. The hope is that anyone committing to an Enrichment Experience would provide six (6), one-hour sessions, for 6 weeks to our students. We would love to explore your talents and interests with you and how they can help to enrich the lives of our students!
- **Site Council** - We are looking for parents who are interested in helping us as we determine the future of Newcastle. Site Council members serve simultaneously in Site Council / District Advisory Council and the LCAP Advisory Committee. The description of these three committees can be found [HERE](#). Please email Cindy Giove at [cgiove@newcastle.k12.ca.us](mailto:cgiove@newcastle.k12.ca.us) if you are interested in serving our school in this capacity.
