**Employment** - We currently have an opening for a 3.5 hour/day Classified Student Support Aide. This person assists with providing additional support to students in the classroom under the direction of the teacher as well as lunch supervision. If you are interested in learning more, please contact Pat McElvain in our district office at [pmcelvain@newcastle.k12.ca.us](mailto:pmcelvain@newcastle.k12.ca.us).

**Enrichment - Fall Enrichment classes are here!** We are excited to be offering EIGHT afterschool experiences for our students. Enrichment classes are a blend of grade levels. *Suggested donations allow us to keep our programs funded so that we can provide more experiences for our students.* We appreciate your support.

We are looking for parent volunteers to provide support under the direction of the teacher in both Robotics and Cooking. We have students who want to participate in a Chess Club but need an adult supervisor. We also have a wonderful garden space but no one to start a Garden Club. If you are interested in volunteering for any of these opportunities, please let the office know.
